Inquiry:

Dear FCC Team,

This is regarding the usage of FRN#0015749849 and Grantee Code# UTU for other entities or divisions under the same corporate umbrella Hexagon.

Novatel Inc. merged into Hexagon group on 8th October 2007, so the FRN#0015749849 and Grantee Code# UTU carried over to the Hexagon Group.

We would like other entities of Hexagon group to use the same FRN and Grantee Code for new applications

Please let us know if there any concerns in the usage of FRN#0015749849 and Grantee Code# UTU, for other entities of Hexagon which are under the same corporate umbrella and share corporate relationship

Regards,
Kiran

Since haexagon.com operates as a single legal entity, any subdivisions fall under the same corporate structure (i.e., a parent-child relationship). Therefore, you should continue using the same Grantee Code and FRN for all submissions. If there are any changes—such as a transfer of control—please ensure that they are properly documented and filed with us.
