Justification Letter for Label

FCC ID: UTWXM75P

To whom it may concern:

- The available label area on the device is limited because it is relatively small and has many contoured surfaces, keypad, LCD, USB Type C connector....etc. Thus, we decide to place the FCC Label in the battery compartment.
- The FCC ID is readily visible to purchaser at the time of purchase because the device will be marketed without battery installed. The package includes the device, battery, battery cover packed individually.

Sincerely,

A handwritten signature in black ink, appearing to read "H. Lerner", followed by a period.
