FCC Change of ID

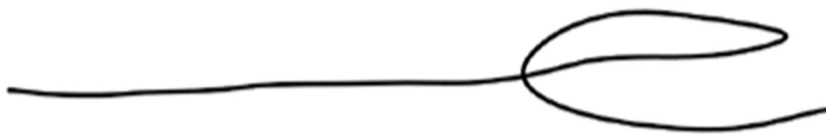

To Whom It May Concern:

We, Hunter Douglas Window Fashions, request a Change of Identification for a new FCC ID: UXUMOTG3AD as established in 47 CFR 2.933(b) for a currently approved device.

1. The original identification is FCC ID: VYYDD6600
2. Original Certification Date: February 21, 2025
3. There is no change to product in the design, circuitry and construction and the original test results continue to be representative of and applicable to the equipment.
4. The model number changed to 2021000033
5. Photos of the product have been submitted with this application.

The original grant will remain in effect.
