Subject: Class II Permissive Change for FCC ID: UZ7CDRDB / Grant Date: 02/25/2016, Attestations and Requests

To whom it may concern:

Pursuant to CFR 2.1043, Zebra Technologies Corporation hereby requests a Class II Permissive Change. The model name remains MODEL: CDRDB.

Modification:

1. Adding master mode for this device.
2. There is no change in hardware or in existing RF relevant portion.
3. The product adds master mode via Firmware by factory.
4. There is no any software that can be modified by end-user.

I, hereby certify that the submitted documents properly describe the device for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in FCC's regulations will have affixed to it a label identical to that submitted for approval with this application.

In Addition, Zebra Technologies Corporation, also acknowledges that all responsibility for complying with the terms and conditions for Certification, still resides with Zebra Technologies Corporation, 1 Zebra Plaza Holtsville, NY 11742 USA.

Zebra Technologies Corporation, hereby have entrusted the person Leo Huang of Sporton International Inc. to be a proxy regarding application for Type Certification. We are therefore responsible for the contents of the application (Model No.: CDRDB); submitted by means of this application, will be continuously produced in compliance with FCC regulations. In relation to this, we accept all consequences of market surveillance performed by FCC or acting Certification Body as specified in the FCC's regulations.

In Addition, Zebra Technologies Corporation, pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant Hereby requests confidential treatment of information accompanying this Application for Listing as outlined below:

1. Operational Descriptions

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.
