Federal Communications Commission
Office of Engineering and Technology
Equipment Authorization Division
7345 Oakland Mills Road
Columbia MD 21046

Subject: Class II Permissive Change to Transmitter with FCC ID: UZ7MB82

To the Commission:

On the basis of the test report submitted, the modification to our MB82 Radio Module satisfies the requirements for a Class II Permissive Change to add new antennas to the FCC filing for this device.

The above listed changes did not impact RF emissions. These changes meet the requirements for a Class II Permissive Change, in accordance with 47 CFR 2.1043.

These changes will be incorporated in the equipment bearing the identifier FCC ID: UZ7MB82 on receipt of the updated FCC Grant.

Respectfully,

A handwritten signature in blue ink, reading 'Mark S. Luksich'.
