Regulatory Engineering

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Class II Permissive Change Request

This is to request a Class II Permissive Change for FCC ID: UZ7RE40, original granted on 08/29/2022) The intention of this application is to enable the modular certified FCC ID: UZ7RE40 to be integrated in Zebra RFID Reader *XBK-ET6X-RFID*. Except the change described above, the design, hardware, and software are exactly the same with original.

If you have any questions regarding this authorization, please contact me directly.
