Application for Class II Permissive Change

This is to request a Class II Permissive Change for FCC ID: UZ7TC26AK, Model: TC26AK (Date of Grant: 05/06/2020)

The change filed under this application is:

1. Adding HAC Certification: Perform HAC testing for CMRS Voice and Over-the Top voice service which is operating over IP by pre-installed application. No hardware, software, or radio change is made from the original filing.

Confidentiality Request

Pursuant to sections 0.457 and 0.459 of CFR 47, Public Notice DA 04-1705 of the Commission's policy, and to avoid premature release of sensitive information prior to marketing or release of the product to the public, the applicant requests the following documents contained in this certification application be temporarily withheld from public disclosure for an initial period of 180 days:

◆ Test Setup Photos

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.
