Front View of EUT

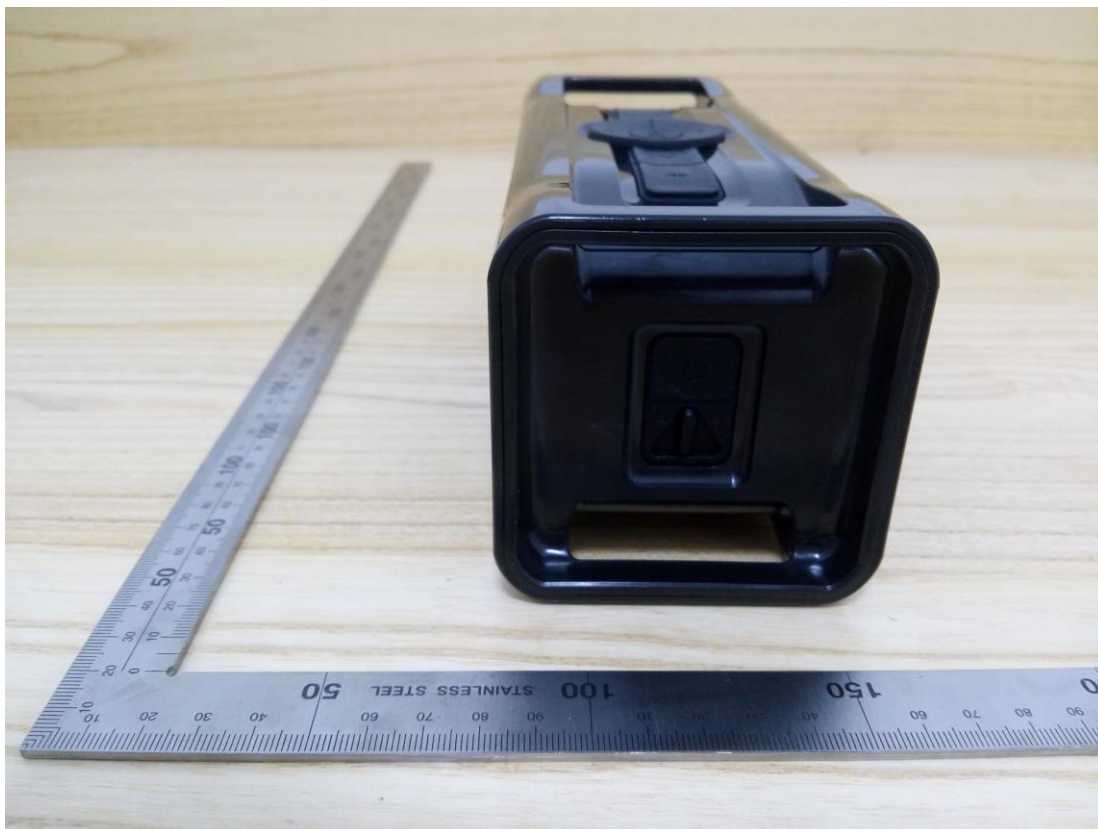

A black, rectangular, perforated metal component, likely a filter or screen, is shown next to a ruler for scale. The ruler indicates the component is approximately 150 mm long and 50 mm wide. The component has a central rectangular area with a dense pattern of small holes, surrounded by a solid black border. The ruler is marked in centimeters and millimeters, with the component's length spanning from approximately 10 cm to 160 cm.
