SOUNDFREQ[®]

Hi, let's get started.

Freqbuds User Guide

Power

Power On: Short press the power button for 1-2 seconds and then release to power on the earbuds. The blue LED will come on for 2 seconds and then slow flash red and blue alternatively to enter Search and Pair mode.

Power Off: To power off, press the power button for 4 seconds. The LED indicator will flash blue twice.

Auto Power Off: The earbuds will auto-power off after the Bluetooth has been disconnected for 10 minutes.

Battery Charging

Micro USB charging port under the rubber cover.

Open the rubber cover to charge via a micro USB cable. The indicator will light red while charging, and light blue after fully charged.

Note: The LED indicator will rapidly flash red when the battery is low.

Battery Status

After the device is paired, press and hold the + & - to see the battery level:

- * Solid Blue: Battery level high
- * Solid Purple: Battery level normal
- * Solid Red: Battery level low (less than 1 hour remaining)

Look for the bluetooth earbuds battery status icon on the top right corner of your connected iPhone or iPad screen to see status of Freaqbuds battery (only for iOS devices).

Listening Via Bluetooth

After the device is connected to the earbuds, you can use the three control buttons on the remote control to play the music, adjust the volume, play, pause and skip tracks.

Bluetooth Pairing

- When the earbuds are turned off, press and hold the center key for 5 seconds until the red & blue LED lights flash speed changes from slow to fast.
- On your music device, turn Bluetooth on & have it searching for BT devices and then select Freaqbuds.
- If pairing unsuccessful, switch off the earbuds by pressing and holding the center key for 4 seconds, and then repeat steps 1 & 2.
- After the power is on by short pressing the center key for 1-2 seconds, the earbuds will search for the previously paired device and connect automatically. If no device is found, the LED light will continue to slow flash red & blue alternatively to search for another Bluetooth device, once a device is located, repeat step 2 to pair.

Music & Call Control Commands

Press & hold for 4 seconds

Double click the ►► to activate Siri/Google Voice searching after Bluetooth connected

Model: SFQ-I2 FCC ID: UZZSFQI2 IC: 7633A-SFQI2 CAN ICES-3 (B)/NMB-3 (B)

LED Indicating Modes

Mode	LED Indication
Searching & Pairing	Red & Blue slowly alternating
Pairing new device	Red & Blue fast alternating
Charging	Red solid
Full charge with USB cable connected	Blue solid
Bluetooth disconnected	Slow flash blue for 10 minutes and then auto power off.
Playing	No light
Low battery <15%	Red fast flash

Size: 156mm x 100mm

Safety Information

The lightning flash with arrowhead symbol, within an equilateral triangle is intended to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (service) instructions in the literature accompanying the appliance.

WARNINGS:

TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE.

DO NOT REMOVE COVER OR OPEN THE CABINET.

Dangerous high voltages are present inside the enclosure. No user serviceable parts inside. Leave all servicing to qualified service personnel.

IMPORTANT SAFETY INSTRUCTIONS

1. Read these instructions.
2. Keep these Instructions.
3. Heed all Warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with dry cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
10. Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
11. Only use attachments/accessories specified by the manufacturer.
12. Use only with the cart, stand, tripod, bracket or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.

PORTABLE CART WARNING
DANGER: PREVENT TIP-OVER

13. Unplug this apparatus during lightning storms or when unused for long periods of time.
 14. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
 15. Apparatus shall not be exposed to dripping or splashing and no objects filled with liquids, shall not be placed on the apparatus.
 16. The mains plug is used as disconnect device and it shall remain readily operable during intended use. In order to disconnect the mains plug from the mains completely, the mains plug should be disconnected from the mains socket outlet completely.
 17. The batteries (battery pack & batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.
 18. Do not place any naked flame sources, such as lighted candles, on the apparatus.
 19. The battery used in this product must be properly recycled or disposed of. Please contact your local recycling center for proper battery handling and disposal instructions.
- For compatibility between the unit and another device with Bluetooth technology, consult the device's documentation and dealer. In some countries, there may be restrictions on using Bluetooth devices. Check with your local authorities.
- Bluetooth** is a registered trademark of Bluetooth SIG, Inc
- WARNING!** Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.
- WARNING!** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Information:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment.

Canada IC statements

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions: (1) This device may not cause interference; and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) L'appareil ne doit pas produire de brouillage;

(2) L'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device meets the exemption from the routine evaluation limits in section 2.5 of RSS 102 and compliance with RSS-102 RF exposure, users can obtain Canadian information on RF exposure and compliance.

Le dispositif rencontre l'exemption des limites courantes d'évaluation dans la section 2.5 de RSS 102 et la conformité à l'exposition de RSS-102 rf, utilisateurs peut obtenir l'information canadienne sur l'exposition et la conformité de rf.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio TV technician for help.

Information for Users on Disposal of Old Equipment

[European Union]

This symbol indicates that the electrical and electronic equipment should not be disposed as general household waste at its end-of-life. Instead, the product should be handed over to the applicable collection point for the recycling in accordance with your national legislation.

Attention:
This symbol is only valid in the European Union.

By disposing of this product correctly, you will help to conserve natural resources and will help prevent potential negative effects on the environment and human health that could otherwise be caused by inappropriate waste handling of this product. For more information about collection point and recycling of this product, please contact your local municipal office, your household waste disposal service or the shop where you purchased the product.

Penalties may be applicable for incorrect disposal of this waste, in accordance with national legislation.

[Other Countries outside the European Union]

If you wish to dispose of this product, please do so in accordance with applicable national legislation or other rules in your country for the treatment of old electrical and electronic equipment.
