Re: Request for confidentiality

Applicant: Deltanode Solutions AB
FCC ID: V5FDDS001

Dear Sir/Madame,

Permanent Confidentiality

Request is hereby submitted by DeltaNode Solutions AB to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Tune up procedure
- Part Lists

Rationale for request for confidentiality:

DeltaNode Solutions AB has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by DeltaNode Solutions AB

If you have questions or need further information, please contact the undersigned.

Sincerely,

Daniel Kerek
