|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 3</p> |  A black electronic device, likely a payment terminal, is shown from a side profile. It has a rectangular shape with a slightly angled top. The bottom edge features several ports: two RJ45 ports, a USB port, and a circular port. A ruler is placed horizontally below the device, showing measurements in centimeters. The device is positioned on a blue surface.  |
| <p>EUT View 4</p> |  A black electronic device, likely a payment terminal, is shown from a front-three-quarter view. The device has a rectangular shape with a slightly angled top. The front face features a small display screen and a speaker grille. A ruler is placed horizontally below the device, showing measurements in centimeters. The device is positioned on a blue surface. |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 5</p> |  A black rectangular device is shown from a side-on perspective. A metal ruler is placed horizontally in front of the device, and another ruler is placed vertically to its left. The device has a small white label on its right side with the text "Xcel" and "Waltek" below it. The background is a light blue surface.                            |
| <p>EUT View 6</p> |  A black rectangular device is shown from a front-on perspective. A metal ruler is placed horizontally in front of the device, and another ruler is placed vertically to its left. The front panel features a power button on the left, a small display screen in the center, and a power jack on the right. The background is a light blue surface. |
