We, **Kyocera Corporation**, hereby declare that only we are fully responsible for this CIIPC application for FCC ID: **V65C6740** originally granted on **04/24/2015**.

We would like to modify the authorized equipment for the changes below:

- Enable VoLTE capabilities by SW. Evaluation of the HAC T-coil for the LTE air interface is performed accordingly.

Except for the changes mentioned above, no other modification is performed. Also, the change does not have any impact on the approved radio parameters such as power, frequency range, modulation, etc.

Should you have any question or comment regarding this matter, please do not hesitate to contact me.

Sincerely yours,
