Electronic components on the PCB include:

- Three large black connectors at the top.
- Central chip: **Pulse H1102NLW**, 1345-PP CHINA.
- Electrolytic capacitors on the right: **UP48-100 320CH12J**, **100**, **221**, **100**, **0.1**, **0.01**, **0.001**.
- Various integrated circuits and surface-mount components.
- A white connector at the bottom center.
