Dear FCC:

The purpose of this letter is to request a dismissal of Apprion's FCC ID: VAJ-APP2X001 in order to properly list the product capabilities per the FCC 15.247 requirements. As of September 11th, 2008, Apprion has not sold or marketed the EUT that is in question.

Please notify Apprion's agent or the company representative in case there are any questions that need to be addressed.

Sincerely,

A handwritten signature in black ink, appearing to read "James G. Arthur", is written over a horizontal line.

James G. Arthur
Sr. Mechanical Engineer
