Please be advised that under the provision of 47 CFR 0.459, the following exhibits are to be held confidential on behalf of Nokia Solutions and Networks.

Nokia Solutions and Networks is also requesting these exhibits to become permanently confidential. This non-consumer device is inaccessible to the general public and situated in a secure and locked environment. The equipment is only serviceable by the licensee or his designated technicians, or at the factory.

- Block Diagram
- Schematics/Parts List
- Internal Photos
- User Manual
- Operating description and tune-up information

The bulleted list exhibits are to be held confidential.

Confidentiality of the User Manual is maintained by requiring that any party who is supplied the User Manual must sign a non-disclosure agreement. Internal photos are kept confidential by virtue of the fact the enclosure in which the certified equipment is housed is secured/locked and is in a secured area only accessible by approved maintenance personnel.

The application contains technical information that Nokia Solutions and Networks deems to be trade secrets and proprietary. If made public, the information can be used to the disadvantage of the applicant in the marketplace. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kari Vanhatapio", is written over a light blue horizontal line.
