

Declaration

Description of the Change

Model : ALV2DCU・DP
FCC ID : VBU-ALV2DCU

We, Miwa Lock Co., LTD, located at 3-1-12 Shiba Minato-ku Tokyo Japan, have modified the control board and software in above device.

We have changed the card detection circuit and software for the improvement of the card detection performance.

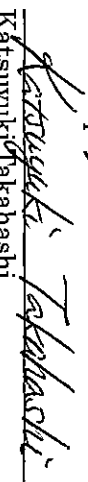

(Please refer to Block Diagram, page 4/4 for Schematics and page 2/3 for Internal Photograph of ALV2DCU・DP.

The above circuit is delineated with green frame.)

Also, some parts of the device that do not concern the RF characteristics of the device have been replaced with equivalent ones for the better availability of the parts.

The modified device has been tested thoroughly and the test results fully meet the requirements in 47CFR section 15.225 and in other related sections.

Date : Sep. 30th 2014
