Subject: Agency Authorization

FCC Product: VC3-DR100V3

IC Product: 7160A-DR100V3

To Whom It May Concern:

I do hereby authorize until further notice, Bureau Veritas Consumer Product Services (BVCPS), Inc., One Distribution Center Circle, #1, Littleton, MA 01460

to act on our behalf in all matters relating to the application for authorization of the equipment

Model(s): DR100-V3
Description: Aperio V3 Wireless Reader
FCC ID: VC3-DR100V3
IC ID: 7160A-DR100V3

at the Federal Communications Commission (FCC) and Industry Canada (IC) and according to the applicable FCC and IC rule parts.

I certify that no party (as defined in 47 CFR 1.2002) to this application, including myself, is subject to a denial of federal benefits, that include FCC benefits, pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C., 853A.

I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in Industry Canada's regulations will have affixed to it a label identical to that submitted for approval with this application.

In signing this document, I also agree that our equipment below shall not be distributed, sold, offered for sale, or leased in Canada until it is listed on the Innovation, Science and Economic Development (ISED) Canada Radio Equipment List (REL) by the BVCPS Certification Body. In addition, I acknowledge that to allow listing of the certified product, BVCPS will make available to ISED all necessary information as required under RSP-100, which may in turn be published on the REL of the ISED Canada Department Website.

We confirm that we are aware of the responsibilities of applicants / grantees related to the authorization of the identified equipment, including those applying for the period after the authorization has been granted and that those responsibilities still reside with us.

Sincerely,

Baruch Spence
