April 17, 2026

Federal Communications Commission Equipment Authorization Division,
Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21048

Subject: Request for Temporary Confidentiality

To Whom It May Concern:

Pursuant to Paragraphs §0.457 and 0.459 of the Commission's Rules (47 C.F.R.) and Section §552(b)(4) of the Freedom of Information Act, Hanchett Entry Systems requests temporary confidentiality for the following exhibits for 180 days from the date of the Grant of Equipment Authorization:

FCC ID Number:	Product Title/Model:
VC3-KS210K	RFID Keypad Server Cabinet Lock / KS210-D-IK

For the product stated above, we request that the following information be held confidential:

- 1) External Photos
- 2) Internal Photos
- 3) User Manual
- 4) Test Setup Photos

These documents contain detailed system and equipment descriptions and related information about the product, which Hanchett Entry Systems considers proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Hanchett Entry Systems feels that this information would be of benefit to its competitors, and the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you need.

Sincerely,

Baruch Spence
