

AUTHORIZATION LETTER

Subject: Letter of Authorization

To Whom it may concern

We, **Valeo Schalter und Sensoren GmbH ("Valeo")**, the undersigned, hereby authorize **TÜV Rheinland (Shenzhen) Co., Ltd ("TÜV")** to act on our behalf exclusively in the activities specified below (see Activities) relating to the certification of the Product in accordance with local regulation and standards.

Scope of Autotization ("Product"):

Product Name: Automotive exterior radar

Trademark: Valeo

Model Number(s): MCR1.2C00, MFR1.2C00

Type Approval for the targeted countries: Annex 1

Activities:

1. Forward all information to the extent strictly necessary related to the approval and certification of the Product to the responsible regulatory agencies as required;
2. To discuss any issues concerning the approval/certification application;
3. To prepare, sign, and submit all necessary application forms required for Product certification;
4. Only with Valeo's prior written consent in each case request and manage confidential sensitive technical documents;
5. TÜV shall act in accordance with the Valeo Business Partner Code of Conduct in the execution of its services. This adherence covers all pillars of the Code, including anti-corruption, export controls and economic sanctions.
6. Any third party selected by TÜV to perform its services in the countries or territories listed in Annex 1 must undergo Valeo's due diligence process and be subject to Valeo's prior vetting.

This authorization is valid until **28.03.2027**.
