

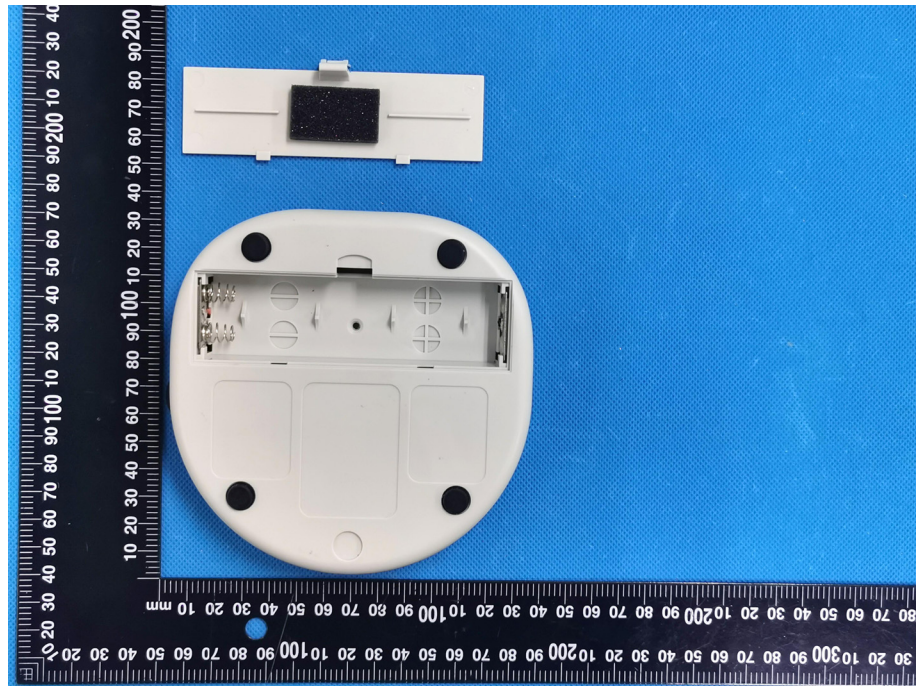

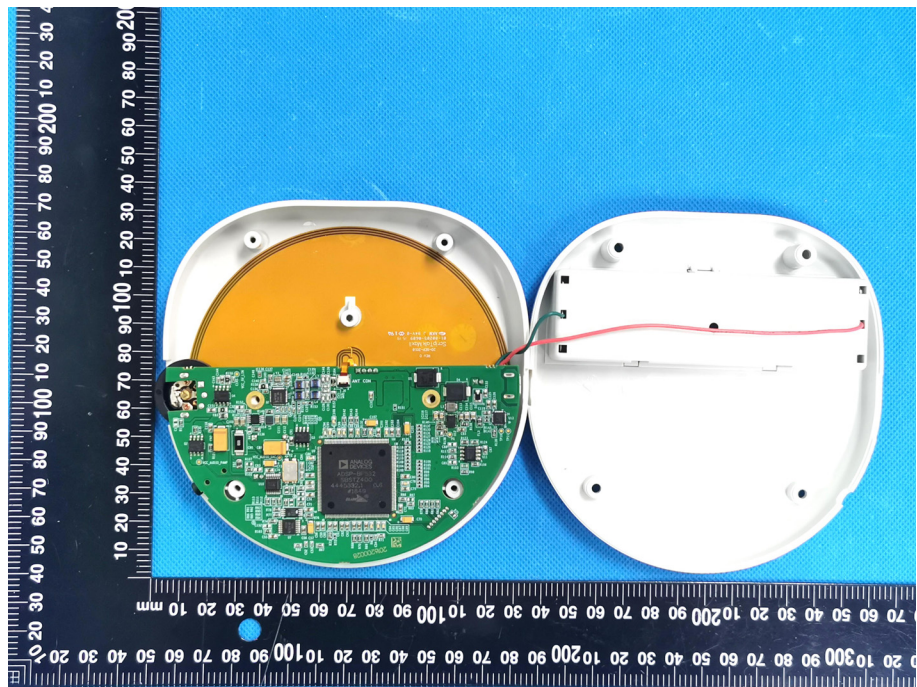

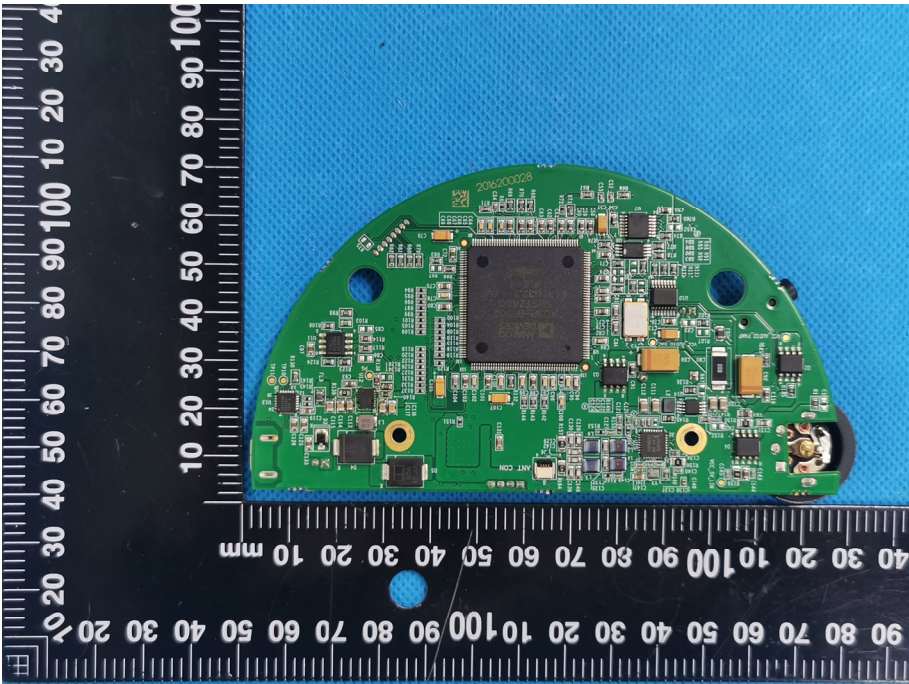

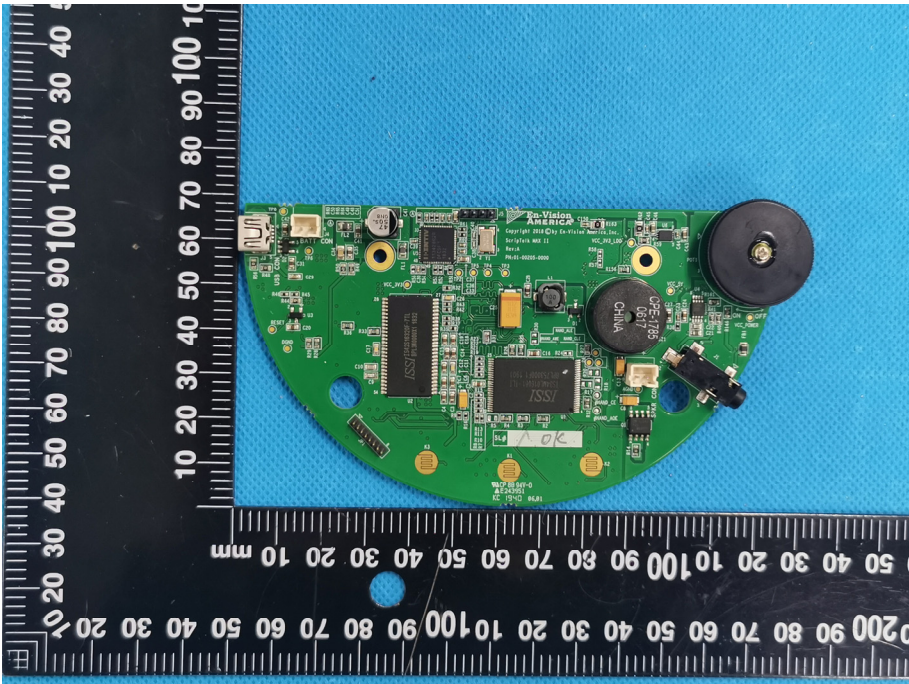

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS**EUT Housing and Board
View 1****EUT Housing and Board
View 2**

Solder Board-Component View 1	 A photograph of a green, semi-circular printed circuit board (PCB) with various electronic components. A large, dark, square integrated circuit (IC) is the central feature. The board is populated with numerous smaller components, including resistors, capacitors, and smaller ICs. Two circular mounting holes are visible on the left side. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
Solder Board-Component View 2	 A photograph of the same green, semi-circular PCB from a different angle. This view shows the underside of the board, revealing components like a large black electrolytic capacitor, a USB connector, and various surface-mount components. The board is placed on the same blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
