Letter of Confirmation

Herewith we want to confirm, xG Technology, Inc. can use all the Mikrotik products to integrate them into their solutions and we do not have any restrictions for that. They can even sell our products under different company name, but all the branding should be provided by themselves. We also realise that XG Technology will also be requesting their own unique FCC IDs for the WiFi modules below.

· xG xRM using: Mikrotik R2SHPn, FCC ID TV7R2SHPN

· xG WiFi Access Point using: MikroTik R52Hn, FCC ID TV7R52HN

xG Technology, Inc. is authorised to use the products above and all the Mikrotik product to integrate them into their solutions.

Best regards,
Raivis Vilums
Sales manager
