

Section 2.911(d)(7) USA Agent for Service of Process

Company name: ELC Lighting BV

Address: Weerij 8, 5422WV Gemert, The Netherlands

Product Name: Green-GO Stride DECT Antenna

FCC ID: VIW-GGOSTRIDEA

Model(s): Green-GO Stride DECT Antenna

### 2.911(d)(7) USA Designated Agent for Service of Process

We, ELC Lighting BV (“the applicant”) designate Nova Lume (“agent”) NOTE1 for the purpose of accepting service of process on behalf of the applicant.

Applicant consent: We acknowledge our consent to accept service of process in the United States for matters related to the applicable equipment, and at the physical U.S. address and email address of the designated agent and acknowledge our acceptance of our obligation to maintain an agent for service of process in the United States for no less than one year after either we the grantee have permanently terminated all marketing and importation of the applicable equipment within the U.S., or at the conclusion of any Commission-related administrative or judicial proceeding involving the equipment, whichever is later.

Agent obligation: We acknowledge our obligation to accept service of process in the United States for matters related to the applicable equipment at our physical U.S. address and email address for no less than one year after either the grantee has permanently terminated all marketing and importation of the applicable equipment within the U.S., or at the conclusion of any Commission-related administrative or judicial proceeding involving the equipment, whichever is later.

An expiration date for this letter does not exist. In case the U.S. agent changes, the grantee is obligated to notify the FCC within 30 days via the granting TCB.

| USA Agent                                                                                                            | Applicant                                                                                                                                                        |
