## **APPENDIX B – External of EUT**

A black rectangular battery is shown at an angle, resting on a blue textured surface. A yellow ruler with black markings is placed below the battery for scale. The battery features the red 'Lenovo' logo and the text 'Li-ion Polymer Battery' in white. It also displays various international safety and recycling symbols, including a crossed-out incinerator, a crossed-out wheeled bin, and a crossed-out electrical plug. Chinese text is printed on the battery, providing safety instructions and technical specifications. A QR code is visible in the top right corner of the battery's label area.
