

SWANN EVO 2K WIRELESS SOLAR CAMERA MODEL: SWIFI-SESOL2KBC

FCC STATEMENT

This equipment has been tested and found to comply with the limits for Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and the receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC RF Radiation Exposure Statement Caution: To maintain compliance with the FCC's RF exposure guidelines, place the product at least 20cm from nearby persons.

WARNING: Modifications not approved by the party responsible for compliance could void user's authority to operate the equipment.

Frequency: 2412MHz-2472MHz, Maximum radio-frequency power: $\leq 20\text{dBm}$

IC STATEMENT

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

The device is compliance with RF field strength limits, users can obtain Canadian information on RF exposure and compliance.

This Class B digital apparatus complies with Canadian ICES-003. This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

Déclaration de la IC

Cet appareil est conforme aux normes RSS exemptes de licence d'Industrie Canada. Le fonctionnement est sujet aux deux conditions suivantes : (1) cet appareil ne doit pas provoquer d'interférences, et (2) cet appareil doit accepter toute interférence, y compris les interférences pouvant entraîner un fonctionnement indésirable de l'appareil.

L'appareil est conforme aux limites de champ RF, les utilisateurs peuvent obtenir des informations canadiennes sur l'exposition aux RF et la conformité. Cet appareil numérique de classe B est conforme à la norme ICES-003 du Canada. Cet équipement est conforme aux limites d'exposition aux rayonnements IC définies pour un environnement non contrôlé. Cet équipement doit être installé et utilisé à une distance minimale de 20 cm entre le radiateur et votre corps.

UK DECLARATION OF CONFORMITY

Hereby, Swann Communications declares that this product is in compliance with the requirements for UKCA marking.

PSTI STATEMENT OF COMPLIANCE

Swann Communications declares that this product complies with the applicable security requirements in Schedule 2 of the Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023. The full text of the PSTI Statement of Compliance can be obtained at uk.swann.com/psti

RECYCLING

This product bears the selective sorting symbol for Waste electrical and electronic equipment (WEEE). This means that this product must be handled pursuant to European directive 2012/19/EU in order to be recycled or dismantled to minimize its impact on the environment. User has the choice to give their product to a competent recycling organization or to the retailer when they buy a new electrical or electronic equipment.

BATTERY SAFETY WARNING

- Do not leave in an extremely low air pressure environment
- Do not leave in an extremely high-temperature environment
- Do not attempt to replace the battery or disassemble the product. There are no user-serviceable parts inside. Doing so will void the warranty and can result in a safety hazard

 The symbol indicates DC voltage
