Subject: FCC Applications for FCC ID: VOB-P2920

To whom it may concern:

We NVIDIA Corporation, the undersigned, hereby attest that we will apply the Declaration of Conformity procedure to the Class B computer peripheral portion of this composite device. We understand the following FCC requirements:

1. Devices subject to the DoC procedure are required to be tested to show compliance with the FCC technical regulations by a recognized accredited testing laboratory. The testing laboratory must be accredited by a Commission approved accreditation body or designated under the terms of a government-to-government Mutual Recognition Agreement (MRA).
2. Test facilities located in countries, where the U.S. does not have an operational Telecom MRA are not recognized by the FCC to test for the DoC procedure.
3. Pt 2.1077 contains the list of information that must be included in the Declaration of Conformity, which must be supplied with each product sold. The DoC compliance information shall be included in the User's Manual or as a separate sheet. The information must contain the name, address, and phone number of the responsible party, which must be located within the United States. According to 2.909(c)(2), the responsible party is either the Manufacturer, or if the product is imported, the Importer.

Sincerely Yours,

A handwritten signature in black ink, appearing to read "Charles Jackson", written over the printed name.
