Requesting permissive change

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for
FCC ID: VPYLBWA0ZZ2HK, Original grant date: November 19, 2025

The major change filed under this application is :

1. Evaluations have been conducted to ensure compliance with EMC and RF exposure requirements.
2. The hardware design of this transmitter that may affect compliance, remains unchanged in this permissive change application.
3. **Enable additional 2M and 4M mode channels via software.**
4. **New dipole antennas with higher gain have been added; please refer to the test report for further details.**

Sincerely,

(Signature)
