Re: Change of Identification Authorization, FCC ID: QV5MERCURY7E-M

To Whom It May Concern:

This letter grants authorization for representatives of TSC Auto ID Technology Co., Ltd. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to the JADAK, a business unit of Novanta Corporation, UHF RAIN RFID MODULE, RFID form factor, model: M7E-MEGA, FCC ID: QV5MERCURY7E-M, approved on 03/26/2024. We are aware that TSC Auto ID Technology Co., Ltd. intends to market the above referenced product under their FCC ID: **VTV-M7EMEGA**, part number M7E-MEGA.

Yours sincerely,

Signature

Name: Eva Gravius

Title: VP Operations, JADAK, a business unit of Novanta Corporation
