EUT View 4

A close-up photograph of the bottom edge of a black mobile phone. A black ruler with white markings is placed horizontally below the phone for scale. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The phone's bottom features a central USB-C port, two circular ports (likely for earphones and a secondary USB port), and a row of gold-plated pins for a dock connector. The phone's casing is black and appears to be made of plastic or rubber.
