Gentlemen:

This letter is a request to apply for a Class II Permissive Change for the SAGEMCOM BROADBAND F@ST 5260CV Home Router, FCC ID: VW3FAST5260CV.

This Class II Permissive Change is requested for the equipment declared above, to be filed under the U-NII New rules.

- No hardware or software modifications of the equipment have been performed
- No changes in total power have been made in the U-NII bands.
- The U-NII-3 band of this equipment was previously authorized under §15.247.
- The device already complies with §15.247(d) for all antenna configurations (see test report N°125772-652184B provided in this application)

According to the KDB 926956 D01 U-NII Transition Plan V01r06 [Question 16 (c)(4)], we ask for the device to be applied under §15.407(b)(4)(ii), and, as a consequence, to be compliant with the U-NII New Rules.

This device is equipped with the following no detachable antennas with gains less than 10dBi:

- Transmitter n°1 (2.4GHz) : Max declared antenna gain = 6.4dBi
- Transmitter n°2 (5.1-5.8GHz) : Max declared antenna gain = 7dBi

Sincerely,

Jacques LE ROUX
R&D General Methods Department Manager
