| <div>Solder<br/>Board-Component<br/>View 1</div> |  A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The component is rectangular with a gold-colored metal pad on the left side. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component's dimensions are approximately 100 mm in length and 20 mm in width. The PCB has several small components, including a large square component at the top and several smaller components along the bottom edge. The text '002202H V1.0 2021.05.24' is visible on the PCB.                            |
| <div>Solder<br/>Board-Component<br/>View 2</div> |  A photograph of the same green printed circuit board (PCB) component, labeled 'Solder Board-Component View 2'. This view shows the component from the opposite side, revealing a gold-colored metal pad on the left side and a white label with a barcode in the center. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component's dimensions are approximately 100 mm in length and 20 mm in width. The PCB has several small components, including a large square component at the top and several smaller components along the bottom edge. |
