Solder Board-Component View 4	 A photograph of a green printed circuit board (PCB) component, labeled 'D01539H Ver1.2', positioned horizontally. The board is populated with various electronic components, including integrated circuits, resistors, and capacitors. Two blue wires are connected to the left side of the board. A white cable is connected to the bottom center. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters and centimeters.
Solder Board-Component View 5	 A photograph of the same green PCB component from a different angle, showing the underside. It features a large green circular component, likely a battery or a large capacitor, and various other electronic components. Two blue wires are connected to the left side, and a white cable is connected to the top center. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters and centimeters.
