Solder Board-Component View 2	 A photograph of a green, octagonal-shaped printed circuit board (PCB) component. The component has a large circular cutout in the center and a small rectangular connector at the top. It is placed on a blue background. Two metal rulers are positioned around the component for scale: one vertically on the left and one horizontally at the bottom. The vertical ruler shows markings from 1 to 7 mm, and the horizontal ruler shows markings from 1 to 7 mm. The component's width is approximately 4 mm and its height is approximately 4 mm.
Solder Board-Component View 3	 A photograph of a green, rectangular printed circuit board (PCB) component. The component is populated with various electronic components, including a large black integrated circuit (IC), several capacitors, and resistors. Two white cables are connected to the component: one cable is plugged into a connector on the left, and the other cable is plugged into a connector on the right. The component is placed on a blue background.
