Re: Request for confidentiality
Applicant: Fisher Controls International, LLC.
FCC ID: W68-DVC7KBT

To whom it may concern,

Permanently Confidentiality

Request is hereby submitted by Fisher Controls International, LLC. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.459 and 0.457(d) of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block Diagrams**
- **Detailed Operational Description**
- **Bill of Materials/Parts List**

Rationale for request for confidentiality:

Fisher Controls International, LLC. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantage in developing similar products, but would also disclose successful implementation of unpublished, leading-edge technology developed by Fisher.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Wolf", written in a cursive style.

Daniel Wolf
Senior Quality Engineer
Fisher Controls International, LLC.
