A photograph of a disassembled smartphone, showing the internal components including the battery, logic board, and camera module. The phone is placed on a blue surface next to a ruler for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (10 to 70 cm). The phone's internal components are visible, including the battery, logic board, and camera module. The phone is placed on a blue surface.

A close-up photograph of the back of a white electronic device, likely a mobile phone. A red oval is drawn around a black rectangular label area. The label contains white text: "R55627V-MIANI-WO.4". To the right of the label is a black plastic component with two rectangular cutouts. The device is resting on a blue textured surface.
