Applicant: NETSCOUT Systems Inc.

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: WA7-43460AC originally granted on 8/26/2014.

The change under this application is to update the test data for our previously certified module (FCC ID: WA7-43460AC) to the new applicable FCC rules under rule part 15.407.

I attest that the module and antenna hardware remain identical to the original filing.

Sincerely,

Tony Ho
