

A top-down view of a circular Jam Touch Wireless Speaker. The speaker has a black central faceplate with a silver-colored outer ring. In the center of the faceplate is a silver-colored power button with a standard power symbol. To the right of the power button is a small circular logo with the letters 'BC'. Text is printed on the black faceplate, including the brand name 'jam' at the top, the product name 'Jam Touch Wireless Speaker' and model number 'Model No.: HX-P550' below it, and technical specifications 'Input: 5V', 'FCC ID: WC2HX-P550', and 'Made In China' at the bottom.
