

尺寸：225 x 220 mm    折后：75 x 110 mm

A diagram illustrating the removal of a hearing aid. It shows a side profile of a human ear with a hearing aid device attached. A curved arrow indicates the device being lifted away from the ear. A large black arrow points to the right, leading to a second diagram where the hearing aid is detached and held separately from the ear.

尺寸: 300 x 360 mm 折后: 75 x 120 mm
