

Class II permissive change letter

Date : March 17, 2023

To Whom It May Concern:

The purpose of this letter is to request Class II Permissive Change for:

FCC ID: WL6-8822CEJL1C

Original Grant Date: 03/15/2023

Pursuant to CFR 2.1043, *ELITEGROUP COMPUTER SYSTEMS CO., LTD* hereby requests a Class II Permissive Change.

Change #1: The certified module (FCC ID: WL6-8822CEJL1C; model: RTL8822CE) is integrated into a new platform (Product: Notebook Computer, Brand: ECS ELITEGROUP, Model: SG20JL1C).

Change #2: Add antennas to module which have the same antenna's type (PIFA) with original grant, and each antenna gain is lower.

Except for the above differences, the hardware design are identical with the original Grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

A handwritten signature in cursive script that reads 'Tommy Lee'. The signature is written in black ink and is positioned above a horizontal dashed line.
