

The back of the subwoofer features a central control panel. At the top, the 'polk | magnifi MAX' logo is printed. Below it is a green power indicator light and a 'BAR SYNC' switch. Further down is a three-position volume knob. To the left of the knob, technical specifications are listed: 'AC 120V/17.0A', '150W RMS / 300W Peak', 'MODEL: MAGNIFI MAX', 'SUBWOOFER', 'FREQ. RES. 18Hz-200Hz / 100Hz', and 'CMT. EXCIT. 800W/400W'. To the right of the knob, a warning states: 'This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) This device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.' Below the knob are several certification logos (CE, UL, FCC, etc.) and a barcode with the model number 'MAGNIFI MAX SUBWOOFER' and serial number '840017001000'. At the bottom, there are 'WARNING' and 'ATTENTION' labels in both English and French.
