

COVER LETTER

AUDIX Technology (Shanghai) Co., Ltd.
3F 34 Bldg., No.680 Guiping Rd.,
Caohejing Hi-Tech Park,
Shanghai200233, China

Our product, BE1310 is tested by you for certification of both FCC ID and IC ID, and their ID numbers are

FCC ID: WMSBE1310US

IC ID: 6693A-BE1310US

As the accessory with BE1310 product, there is an adapter,
Model no: MU03B6050055-A1, There are different color of the housing, wire and jack, for example Black, white or other colors. But, we have only provided the black one for testing by AUDIX Technology (Shanghai) Co., Ltd.

Under this model number MU03B6050055-A1, no matter what colors, these adapters are from the same manufacture, same the circuit, same the performance, and also tested and certificated (reference of certificate numbers: UL 20150120-E138754 / 150029-15, ULL-100117, GS 15TWO0214-01, CB SE-78360).

We may be shipment with different color of the adapter according to our customer's requirement.

Sincerely

Signature:
