Subject: Compliance Statements in Transportation Vehicle Manual

Dear Sirs,

Our product with the above listed FCC ID is marketed solely for fixed installations and usage inside transportation vehicles. Consequently, its functional description will be included in the individual owner's manual of the vehicle.

We hereby declare, that we instruct the manufacturer of the transportation vehicle that incorporates our certified device, to include following FCC statements in a prominent location of their vehicle operating instructions, or in an associated Regulatory & Safety Manual or in any FCC accepted alternative way:

CFR 47, §15.21

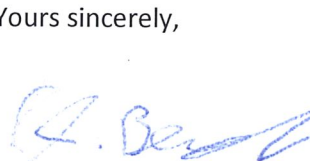

The title **"CAUTION TO USERS"** or **"FCC WARNING"** or **"NOTE"** or relevant title and **"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."**

CFR 47, §15.19(a)(3):

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."

If you have any questions, please feel free to contact me.

Yours sincerely,

Thomas Berenz. Project Manager
