RE: Request for Change in ID

<Topcon Positioning Systems, Inc.> Original FCC ID: <WR4-CRS2>
Original Approval Date: <12/19/2025>

<Topcon Positioning Systems, Inc.> New FCC ID: WR4-SRS2

To Whom It May Concern:

<Topcon Positioning Systems, Inc.> verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference are branding, appearance silk screen printing, product appearance color and base color: the original equipment carries <Topcon Positioning Systems, Inc.> brand, the equipment bearing the changed identification carries <Topcon Positioning Systems, Inc.> brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.
