

To whom it may concern

This is to confirm that for the below mentioned product with FCC and IC ID

FCC ID: WR9WEM01

IC ID: 7981A-WEM01

The 319MHz radio shown in the Schematics and Block Diagram was an option that is not included in the final product for cost savings. The module is a DNP on board. The population of the 319MHz radio module is controlled through already submitted production BOM and will not change.

Regards,

A handwritten signature in blue ink, appearing to read "Kashif", with a long horizontal stroke extending to the right.
