| Specification of Accessory |                  |                                                      |
|----------------------------|------------------|------------------------------------------------------|
| AC Adapter 1               | Brand Name       | doro                                                 |
|                            | Model Name       | HKC0055010-3S                                        |
| AC Adapter 2               | Brand Name       | doro                                                 |
|                            | Model Name       | HKC0035050-9B                                        |
| AC Adapter 3               | Brand Name       | doro                                                 |
|                            | Model Name       | HKC0055010-4S                                        |
| Battery                    | Brand Name       | doro                                                 |
|                            | Model Name       | DBM-1500B                                            |
| Earphone 1                 | Signal Line Type | 1.6 meter, non-shielded cable, without ferrite core  |
| Earphone 2                 | Signal Line Type | 1.26 meter, non-shielded cable, without ferrite core |
| USB Cable                  | Brand Name       | doro                                                 |
|                            | Model Name       | HYD-ck-0852                                          |
|                            | Signal Line Type | 1.55 meter, shielded cable, with ferrite 1 core      |
| Charging Cradle            | Brand Name       | doro                                                 |
|                            | Model Name       | N/A                                                  |

**Remark:** For accessories equipped with this EUT, please refer to the following photos.

## Component list

Fully tested type 1 and type 2 samples and shown on EP report which cover all the listed as below variants with different critical components.

| Component Type     | Type 1<br>(Sample 1)   | Type 2<br>(Sample 2)   | Example variant        | Any possible combination of below |
|--------------------|------------------------|------------------------|------------------------|-----------------------------------|
| Flash memory       | TYC0FH121638RA         | H9TP32A4GDCCP<br>R-KGM | H9TP32A4GDCC<br>PR-KGM | Type 1/Type 2                     |
| Rear camera        | F5645BL                | GDFF140501             | F5645BL                | Type 1/Type 2                     |
| USB connector      | UAF95-05164<br>-S129   | MCB04-5K22000          | UAF95-05164-S1<br>29   | Type 1/Type 2                     |
| SIM card connector | CAF99-08153<br>-010603 | SIM40-8K13001-Q<br>H   | CAF99-08153-01<br>0603 | Type 1/Type 2                     |
| T-Flash connector  | KM100846M171R          | TFS23-9K23000          | KM100846M171R          | Type 1/Type 2                     |
