Subject: Description of Permissive Change

Dear Sir/Madam,

We, TELTRONIC S.A.U., hereby authorize AT4 wireless S.A. to act as a laboratory for testing and test report generation for the following project(s):

FCC ID: **WT7PTRNKTBSR75450**, Model: **BSR75 -8**

This project is a Permissive Change II submission with the intent of operating the above mentioned equipment in the allowed frequency bands of Part 22, subsections F and G.

There are not any equipment changes in hardware, maximum output power or RF characteristics for the new frequency operation. Equipment can only be configured by the grantee (TELTRONIC, S.A.U.).

Yours faithfully,

Jose Roman Gimeno
Engineering Services Group Manager
