ALLTEK MARINE ELECTRONICS CORP.
14F-2, No.237 Sec.1
Datong Road
Xizhi District
New Taipei City TAIWAN

Dear Mr. Hsieh:

Our office has reviewed your application requesting a U.S. Coast Guard Certificate of Approval for the AMEC WideLink B600/B600W Class B Automatic Identification System (AIS) SOTDMA. This unit meets the requirements of the applicable International Standards and is certified as follows:

The following approval number has been assigned:

WideLink B600/B600W Class B AIS
165.156/26/0

Dated: May 25, 2017
Expires: May 25, 2022

This certification remains valid until May 25, 2022 unless our office suspends, withdraws, or terminates it. The device manufacturer may apply for extension of this certification by writing to our office before it expires. If the equipment is no longer produced our office continues to consider it certified based on the date of manufacture, the vessel installation date, and the valid certification for that time period. You cannot transfer this certification to another manufacturer without written authorization from our office. You must notify our office in writing when you make any change in the design or construction of the device or when you cease manufacturing the device.

Sincerely,

A handwritten signature in blue ink, reading "T. M. Howard".

T. M. HOWARD
Commander, U.S. Coast Guard
Chief, Systems Engineering Division
Office of Design and Engineering Standards
