Technical drawing of the interior of a vehicle body, showing the layout of seats, floor, and various components. The drawing is labeled with 'A' at the top and bottom, indicating a cross-section. Callouts include A1, A2, A3, and 03. A dashed line indicates a fold or hinge line.

Notes:

1. Text shown on drawing is "outline", but should be "filled" during marking.
2. Technology: Tampro printed, unless otherwise specified.
3. General tolerances on dimensions are ± 0.20 mm unless otherwise specified.
4. Cosmetic specifications are defined in GN ReSound documents
0007510 (Corporate cosmetic insp. proc.)
5. Color of print: White. See BOM for specifications.
6. The following dimensions have been deleted from the drawing: None
7. Measurement planes for the part are defined by the Datum reference frame:

A	B	C
---	---	---
