SCOTTSDALE, ARIZONA 85255

AXON.COM

ID LABEL/LOCATION INFO

Brand: Axon

Model number: AX1047

FCC & IC Identifiers can be found in the electronic display. Instructions to access this information, see below, are added to the device's User Manual.

Instructions to access FCC ID & ISED information:

1. Turn on your device by pressing the **Power** button.

READY is shown on the display when the device is on.

2. Double Press **Select** button.
3. Use the Volume ▲ or Volume ▼ button to highlight **Legal** option, and then press the **Select** button.

The display will automatically scroll the compliance information in three single lines, including

**"Model: AX1047;
FCC ID: X4GS02260;
IC: 8803A-S02260".**

Optionally you can use the Volume ▲ or Volume ▼ button to manually scroll through the information.

Pursuant to the provisions of KDB 784748 D02 e labeling v02r01:

Axon Enterprise, Inc. declares that the device does not require special accessories or supplemental plug-ins to access FCC/ISED information.

Additionally, we confirm that this information can be found in our packaging.
