Subject: FCC FILING – Class II Permissive Change – FCCID: X4K-TRX02403

Company: Automatic Technology (Australia) Pty Ltd
FCC ID: FCC ID: X4K-TRX02403

Automatic Technology (Australia) Pty Ltd is applying for FCC Class II Permissive Change for the following:

FCC ID: X4K-TRX02403 (Grant Date: 17/28/2016).

The device is a transceiver used to control (open and close) Garage door openers, Gate Openers and other equipment using a smart phone via the Internet of home network.

Transmitter details:

Power: 24V DC
Frequency: 912.5 to 926.9 MHz

Changes to the certified device:

- Changed the method of powering the board from a dual power supply to a single
- Changed the type of +5Vdc regulator from DC/DC converter to linear LDO regulator

+ requested change from current approval (original certification) to Limited Modular Approval.

EMC Technologies is acting as agent for Automatic Technology (Australia) Pty Ltd in this application.
