Product Similarity Declaration

FEDERAL COMMUNICATIONS COMMISSIONS
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Dear Sir or Madam,

We, Astera LED-Technology GmbH, hereby declare that we have a product named as Titan Tube BTB (Model number: FP1-BTB, FCC ID: X55FP-BTB) was tested by ATC(Shenzhen). Meanwhile, for our marketing purpose, we would like to list a series models (FP2-BTB) on reports and certificate. The difference between the two models is the length, the length of FP1-BTB is 1.035m, and the length of FP2-BTB is 0.55m. In addition, the PCB layout is different, and the schematic of the power circuit is different, other schematics are the same.

We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely Yours,

Signature:

Norbert Ernst
